

CYRT Parents and Swimmers:

We have up-dated our process for entering swimmers into meets. On the web page (www.cambridgeswim.org) click on the Meets button. On the Meets page you will find a grid with our entire swim meets listed for the season. Click on the meet packet to find out which events you would like your swimmer entered (please use the actual event name and not the event number). Next, click on the Entries button at the bottom of the Meets page to bring up the form to enter your child. Fill out all fields on the form or you will not be able to submit the entry. Please use the Meet name as listed on the grid on the Meets page. Entries are due by 6:00 p.m. (the start of practice) on the date listed on the CYRT website.
